Dear Parents,

Fee-based busing service will continue at designated bus stops for those families living within the city limits of Dodgeville and the village limits of Ridgeway. This letter provides you specific information to help you determine whether this is a service you choose to purchase.

### Description:

Designated bus stops are listed on the back of this form and will serve students living within a reasonable walking distance of the stop. Positioned at locations throughout town, this service in limited respects will resemble a mass transit service. Students with pre-paid passes will assemble at the designated bus stop and the bus will arrive at a designated time. Students will board and the bus will proceed to the next stop, ultimately dropping students at their destination: a school in the morning, or at the designated stop in the afternoon.

The door-to-door transportation for 4-year olds is a separate program, not to be confused with the paid service option. Residences of 4-year old students change from year to year and we contract with the bus company separately for that service. In contrast with the 4-year old program, the paid service option has bus stops that will remain constant. They will not change from year to year.

Some families who have 4-year old children attending either the AM or PM programs may choose to have their other children ride with the 4-year old either at the beginning or end of the day on a fee paid basis. The other time of day, when the 4-year old is not riding, the older students will be dropped off at the bus stop. The same fee paid arrangement may be made for neighbors of the 4-year old.

### Annual Fees:

**Fees are to be paid to: Lamers Bus Lines, Inc., 4189 Brue Rd., Dodgeville, WI 53533** Fees may be paid in full at the beginning of the school year or at the beginning of each semester. Students may begin riding AFTER the fees are paid and the school issues a bus pass. **This process may require a few days coordination time between the school and bus company, so please plan ahead.**
