RES Home and School

Happy February...

Ridgeway Home & School is always looking for new members to join our group. It is a great way to stay connected with school and your child, meet new families, and share your ideas with others. Please consider joining!

On February 8th, there is a paint sign afternoon happening at the Ridge, in Ridgeway @ 1:00 p.m. This event is being held to help raise funds for a happy, healthy RES playground, with better drainage and updated equipment, and outdoor learning spaces. If you are interested, please contact RES Home & School on Facebook, or Hannah Ward @ 608-574-2801 with questions or for online payment options. If you didn't sign up to paint, please stop by and visit!

We are in the process of formally becoming a non-profit so as to better be able to raise money for the playground improvements, among other things. Please attend our monthly meetings on the third Monday of every month and message us between meetings at RES Home and School on Facebook-because we need your input.

To see some of the options we can choose from in planning the playground updates, stop by the Badger Mart to look through the Gerber Leisure catalog. Please send your comments to 414-403-1327 (our secretary's #)

In addition to the focus we are putting on our non-profit status and raising money and planning for the playground, we have the field trip to the Overture Center coming up in April, when the students at RES will be seeing the show "Air Play".

Special thanks this month to our School Board member Tom McGraw, Joe Thomas, and Tanner Cullen for volunteering your time and services over winter break to help keep our playground safe for our kids. THANK YOU!
